

## PRODUCT DESCRIPTION

**DURABAK - M26™** and **DURABAK 18 - M26™** are tough, one-part, waterproof, polyurethane coatings. They are made with self-contained recycled rubber granules that give them attractive, tough-textured finishes. Once exposed to atmospheric moisture, both coatings undergo a chemical curing process, which changes them from a liquid to a tough polyurethane membrane. They have excellent abrasion and chemical resistance.

**DURABAK - M26™** and **DURABAK 18 - M26™** will chemically bond to most clean and dry surfaces. These include, but are not limited to, metal, concrete, wood, fiberglass, rubber, and most painted surfaces.

**DURABAK - M26™** (indoor applications) and **DURABAK 18 - M26™** (outdoor applications) are applied by a special roller, brush, or spray. Each is available as a smooth, protective coating, as well.

*DURABAK - M26™ & DURABAK 18 - M26™* ... are flexible polyurethane coatings specified for outdoor weather deck and indoor applications.

**From serviceability report  
on nuclear AC carrier  
USS Theodore Roosevelt:**

*"... no rust around pipes, hangars or drains,"  
... "no visible rust on any deck surfaces," ...  
"coating did not appear to be lifted or  
delaminated" ... coating was "subjected to heavy  
use by hard-working, dirty personnel."*

**From the USS George Washington:**

*"coating ... found to be in excellent condition  
... with no deterioration of any kind" ... "no  
problems or concerns with this deck coating."  
... no complaints concerning the texture  
of the deck."*

**DURABAK - M26™ &  
DURABAK 18 - M26™**  
*manufactured under strict  
ISO 9001 Standards*

MIL-PRF 32171A  
HIGH DURABILITY COATINGS**

**DURABAK - M26™ &  
DURABAK 18 - M26™**

For application on:

- ◆ Ship Decks ◆ Heads ◆ Galleys ◆
- Ship Passageways ◆ Concrete Floors
- ◆ Heavy Equipment ◆ Truck Beds ◆
- Stairs ◆ Loading Docks ◆ Scaffolding
- ◆ Ramps ◆ Gangways ◆ Walkways ◆
- Line Striping ◆ Hangar Floors
- ◆ Workboats ◆ Bridges ◆
- Construction Plates ◆ Trailers
- ◆ Metal Structures ◆ Wooden Floors ◆
- Pipes ◆ Elevator Floors
- ◆ Metal Tanks ◆ Catwalks ◆
